

ADDDO
CREATED FOR COOPERATION

PROFESSIONAL
CLEANING OF
VENTILATION
SYSTEMS

www.addo-group.com

It is in our DNA

Who we are

ADDO is a company dedicated to professional cleaning of all types of ventilation systems.

Experience, knowledge and technical support are key assets that enable our team to face new challenges and perform duties assigned to it professionally.

ISO 9001
ISO 14001
ISO 45001

BUREAU VERITAS
Certification

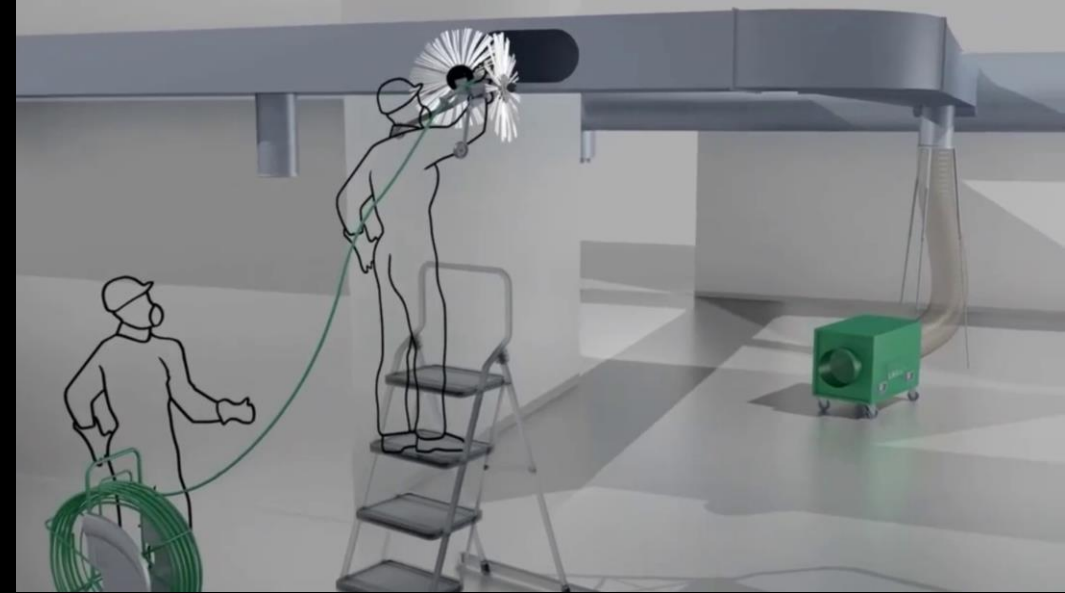

How we do it

We work according to fire safety regulations and EU standart **EN15780:2011**

Cleaning for ventilations systems is performed by a **professionally trained and certified** team of specialists.

To achieve **best results**, we use special equipment from leading suppliers of air duct cleaning equipment such as **Lifa Air, Pressovac** and **Tegras**
